

## **LOOKING TO ADVANCE YOUR CREDIT UNION CAREER?**

### **ACHIEVE IT WITH CIPRIANI!**

Co-operatives are becoming complex business entities as a result of increasing demands being placed on them by their members. At Cipriani, we aim to provide you with the expertise necessary to ensure your development and success in the world of business!

Our Co-operative programmes explore the fundamentals of successful Co-operative management and links the traditional elements to the needs of today's global business environment. The programme is also structured to provide students with the requirements necessary to effectively manage and supervise all levels of staff in the Co-operative sector.

#### **Learn about**

- Credit Union Management and Operations
- Credit Union Accounting
- Fundamentals of Communication
- Co-operative Entrepreneurship and Business Management
- Business Law and Credit Unions
- Basic Principles of Money Management & Securities

#### **Access credit union and co-operative management training with our:**

- 10 Saturday course in Co-operative Management
- Certificate in Credit Union Management
- Associate & Bachelor degrees in Co-operative Studies

With the Co-operative management training at Cipriani, you will be able to access the following career paths: General Managers, Customer Service Managers, and Delinquency Control Officers, Marketing and Business Development Officer.

Additionally, graduates will have the opportunity to access employment in areas such as Accounting, Auditing, Entrepreneurship and Business Consulting.

---
